

THE NEW SHOES

JURONG'S FIRST TALE

In the Kingdom of Zheng, Mr Ling is desperate to buy a new pair of shoes to relieve his sore feet.

A curious passerby, Mr Chang, offers to help him, and measures the dimensions of his feet with exacting precision, but when Mr Ling arrives at the shoe shop, the shopkeeper demands to know only his shoe size.

Dismayed by the request, and driven by his quest for perfection, Mr Ling seeks out the aid of his friend Mr Chang, who offers Mr Ling's money to passersby willing to help determine his shoe size. Now, armed with this important knowledge, Mr Ling returns to the shoe shop, only to discover that he has no money left to purchase the new shoes!
