

Rana the Banana
Is in her favourite dress;
A yellow frock with sequins
One of many kept for best.

*Hello, Hello, Hello!
My dress is spotty yellow.
It's the height of tropical style
Island sun from tip to crown.
The most glamorous of dresses
It's the talk of all the town.*

*She's Rana the Banana
The ripest ever seen
She's Rana the Banana
She's yellow, she's not green.*
