# Tidy Up

The room is messy,  
It's time to tidy up, it's time to tidy up, it's time to tidy up,  
The room is messy,  
It's time to tidy up,  
Let's put away our toys.

Put away your cars:  
It's time to tidy up. It's time to tidy up. It's time to tidy up,  
Put away your cars:  
It's time to tidy up,  
Let's put away our toys.
