

Hi everyone!

Hope you all had a great first day back at the Saturday Programme! We were really happy to see some of you who have lessons with us and hear all your Easter news. Please watch our video explaining the plans for this term, so please go and watch that so you all know what's going on.

In a few days you'll get the document for this week's listening assignment and next week we'll go over the theme together and have a chat about what we noticed before Peter and I introduce next week's theme.

Please send us whatever you have so far for your two variations that we asked you to do before Easter. That way we can send you feedback soon so you have time to work on a second draft before Saturday!

Hope this is all clear, and please do send us those variations as soon as possible (Monday at the latest)! You can send us a photo of what you've written or a screenshot if you've done it on your computers.

Let us know if you have any questions and have a good week!

Clara and Peter
