

TOGETHER

Wherever we go, whatever we do
We're gonna go through it together.
We may not go far, but sure as a star,
Wherever we are, it's together!

Wherever I go, I know he goes,
Wherever I go, I know she goes.
No fits, no fights, no feuds and no egos,
Amigos, together!

Through thick and through thin, all out or all in,
And whether it's win, place or show,
With you for me and me for you,
We'll muddle through whatever we do,
Together, wherever, we go

If I start to dance, we both start to dance
And sometimes by chance we're together.
If I sing B flat, (oh!) we both hit B flat (oh!)
We all can be flat, (oh!) Together!

Whatever the trick, we can do it!
With team work we're bound to get through it.
There really isn't anything to it,
You do it! I knew it! We blew it, Together!

We go in a group, we tour in a troupe,

We land in the soup, But, we know:

The things we do, we do by threes,

A perfect team, no, this way Louise!

Together, Together

Wherever, Wherever

Together, Wherever we go!
