

You've got a friend in me

You've got a friend in me.
You've got a friend in me.

When the road looks rough ahead
And you're miles and miles from your nice warm bed
You just remember what your old pal said
'Son, you've got a friend in me'.
Yeah, you've got a friend in me.

You've got a friend in me
You've got a friend in me
If you got troubles, then I got them too.
There isn't anything I wouldn't do.
If we stick together, we can see it through,
'Cause you've got a friend in me.
Yeah, you've got a friend in me.

Now, other folks might be a little bit smarter than I am,
Bigger and stronger too.
Maybe
But none of them will ever love you the way I do.
Just me and you, boy.
And as the years go by,
Our friendship will never die
You're gonna see it's our destiny.
You've got a friend in me.
You've got a friend in me.
You've got a friend in me.
