

## Green Strings Week 6

**Task 1** Have a go on this interactive site: <http://35.161.134.83/nyphil1/>

They are playing Beethoven 7, 2<sup>nd</sup> movement, which is what we are playing this half-term.

Follow the instructions to isolate instruments and hear their part in the orchestra.

It can take a while to load but bear with it!

**Task 2** Find your Beethoven music, linked on the website, and print it out ready to work on next week.

**Task 3** Listen to any section of Bartok Concerto for Orchestra:

Do a creative response to any section you wish (the second movement at 10.35 is good!)
