

SIDE BY SIDE

Lyrics Stephen Sondheim

Sung

Isn't it warm, isn't it rosy,
Side-by-side
...by side
Ports in a storm
Comfy and cozy, side-by-side
...by side
Everything shines
How sweet
Side-by-Side
...by side
Parallel lines
Who meet
Love him, can't get enough of him
Everyone winks
Nobody's nosy
Side-by-side
...by side
You bring the drinks and
I'll bring the posy
Side-by-side
...by side

One is lonely and
Two is boring
Think what you can keep ignoring
Side-by-side
...by side
Second best!
...by side
Never a bother
Seven times a god father

Year after year
Older and older

Sharing a tear
Lending a shoulder
Side by side
...by side.
Ain't we got fun
No strain
Side by side
... by side.

Spoken

He's such a cutie, isn't he a cutie?

He never loses his cool
I envy that

We're just so fond of him

He's just crazy about me
He's a very tender guy

He's always there when you need him

He's my best friend

It's amazing we've gotten older every year
and he seems to stay exactly the same

You know what comes to my mind when I see him?

Sometimes I catch him looking and looking
I just look right back

Permanent sun
No rain
We're so crazy he's so sane
Friendship forbids
Anything bitter
Side by side
... by side.
Being the kids
As well as the sitter
Side by side
... by side.

One's impossible
Two is dreary
Three is company
Safe and cheery
Side-by-side
... by side.

Here is the church
Here is the steeple
Open the doors and see all the crazy married people.
What would we do without you?
How would we ever get through?
Who would I complain to for hours?
Who'd bring me the flowers
When I have the flu?
Who'd finish yesterday's stew?
Who'd take the kids to the zoo?
Who is a dear
Ans who is so deep?
And who would keep them occupied when I want to sleep?
How would we ever get through?
Just how we usually do.
Right!

Okay, now, ev'ry body!
Year after year,
Older and older,
Side by Side.
Sharing and tear and
Lending a shoulder,
Side by Side...
Two's impossible.
Two is gloomy.
Give another number to me,

Side by side

... by side

By side, by side, by side, by side, by side, by side, by side, by side, by side, by side

By side!
